2023 - 2024 SCHEDULE

Willy Wonka JR.

Roald Dahl's Willy Wonka JR. follows enigmatic candy manufacturer Willy Wonka as he stages a contest by hiding golden tickets in five of his crumptious candy bars. Whomever comes up with these tickets will win a free tour of the Wonka factory, as well as a lifetime supply of candy. Four of the five winning children are insufferable brats, but the fifth is a likeable young lad named Charlie Bucket, who takes the tour in the company of his equally amiable grandfather. The children must learn to follow Mr. Wonka's rules in the factory — or suffer the consequences.
